HSC

Velammal vidhyalaya,chennai

84%(2022)

B.Tech AIDS

Saveetha School of Engineeering,chennai

CGPA-8.0

Graduation year: May 2026

Project

AI-Enhanced Music Composition Assistant

- Objective: Developed an AI system to assist composers by generating melodies and harmonies, simplifying the music creation process.
- Role: Designed and trained ML models, implemented a user-friendly interface, and collaborated on AI outputs based on music theory
- Tools and Technologies Used: Python, TensorFlow, Keras, Flask, and Machine learning algorithms.

Hobbies

- Chess
- Team sports
- Music
